Subject Martin Luther King Center Special Appropriation Ordinance

COPIES TO:

Hill
Watson

In the fall of 1976 the City Council introduced a special appropriation ordinance for the rehabilitation of the Martin Luther King (MLK Center). This special appropriation ordinance, passed in the fall of 1977, establishes the maximum funding limit for the rehabilitation of the MLK Center at \$25,000 from 2nd year Community Development Block Grant funds. In the fall of 1978 CD&P and the MLK Center signed a letter of agreement for the expenditure of funds and the construction process after months of negotiations.

Due to the time lapse between the initial discussions with the MLK Center regarding the proposed rehabilitation work and the letting of bids for the work, construction has increased greatly creating the need for additional funds and there exists the need to amend the existing special appropriations ordinance.

The additional funds in the amounts of \$10,000 will come from the 3rd year CDBG program which are presently allocated to the MLK Center for administrative costs. However, the CDBG regulations require that, before the MLK Center is eligible to expend any of these funds, MLK must seek and be denied other federal funds. Also, MLK must fulfill Section 570.201(14)(e), 570.302, 570.505, 570.510 and 570.900—908 of the Federal Register. Because of the additional paperwork and other requirements, MLK has chosen to direct the 3rd year CDBG funds allocated to them towards rehabilitating the center which is an eligible activity of CDBG regulations and requires a minimum of reporting requirements on behalf of the MLK Center.

For the reasons I have mentioned, I recommend that we obtain City Council action regarding amending Bill #S-77-08-26/Ordinance #S-184-77.

AN ORDINANCE approving an expenditure of \$25,000.00 for the renovation of the Martin Luther King Center.

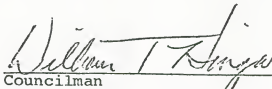

WHEREAS, since the beginning of the Martin Luther King Center in 1968, there has been an attempt to meet the educational, recreational and social needs of peoples in the community by creating programs, activities, transportation and recreation around the basic needs and interests of the people we serve; and

WHEREAS, there is a need to renovate the Martin Luther King Center by installing a ramp to sllow persons in wheel chairs to participate in the activities, installing new bathrooms, lowering the ceiling to save in the cost of heating, repair the roof, install insulation, install carpeting, paint and other miscellaneous items at a cost of approximately \$25,000.00.

NOW, THEREFORE, BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF FORT WAYNE, INDIANA:

SECTION 1. That the renovation of the Martin Luther King Center for an approximate cost of \$25,000.00 is hereby in all things ratified, confirmed and approved.

SECTION 2. This Ordinance shall be in full force and effect from and after its passage and approval by the Mayor.
